About the Symposium

The 4th International Symposium on Innovations in Smart Cities (ISICS) will be held in Santiago, Chile, from March 23 to 25, 2024. The symposium will bring together researchers, practitioners, and policymakers from around the world to share their latest research and insights on smart city development.

The theme of the symposium is "Smart Cities for a Sustainable and Equitable Future." The symposium will explore the latest trends and developments in smart city development, including:

- Sustainability
- Innovation
- Technology
- Urban planning
- Transportation
- Energy
- Environment
- Social inclusion
- Economic development

Call for Papers

The ISICS 2024 organizing committee invites researchers, practitioners, and policymakers to submit their original research papers for presentation at the symposium. Papers should be no more than 10 pages in length and should be submitted in English.

The deadline for paper submission is October 1, 2023. Papers will be reviewed by a panel of experts, and authors of accepted papers will be notified by November 1, 2023.

Registration

Registration for ISICS 2024 will open in December 2023. Early bird registration discounts will be available until February 1, 2024.

To register for the symposium, please visit the following website:

<https://www.isics2024.org/registration/>

Hotel Accommodations

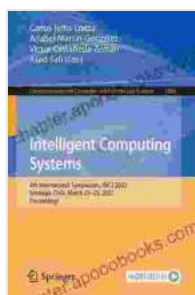

A block of rooms has been reserved for ISICS 2024 attendees at the Hotel Santiago. To book a room, please visit the following website:

<https://www.hotelsantiago.cl/isics2024/>

Contact Information

For more information about ISICS 2024, please contact the organizing committee at info@isics2024.org.
