Using the Patterns

The patterns in 99 Snowflakes are easy to follow and include step-by-step instructions and clear diagrams. Each pattern also includes a materials list and a finished size. This makes it easy to choose the right pattern for your needs and to estimate how much yarn you'll need.

Once you've chosen a pattern, simply follow the instructions to create your own beautiful snowflake. You can use any type of yarn you like, but we recommend using a light-colored yarn so that the snowflake will be easy to see. You can also add beads, sequins, or other embellishments to your snowflakes to make them even more unique.

Displaying Your Snowflakes

Once you've created your snowflakes, you can display them in a variety of ways. You can hang them from your Christmas tree, use them to decorate your home, or give them as gifts to friends and family. Snowflakes also make beautiful ornaments for winter weddings and other special occasions.
