The UK Overseas Territories are a fascinating and diverse group of islands, each with its own unique natural history. From the remote islands of the Atlantic to the tropical rainforests of the Caribbean, these territories are home to a wide variety of birdlife.

Birds of the UK Overseas Territories is the definitive guide to the birds of these islands. This beautifully illustrated book features:

- Over 500 bird species, with detailed descriptions and stunning photographs
- Information on the distribution, habitat, and conservation status of each species
- Detailed maps showing the distribution of each species
- A comprehensive guide to the best birding sites in each territory

Whether you're a seasoned birder or simply interested in the natural history of these islands, *Birds of the UK Overseas Territories* is the perfect book for you.
