This groundbreaking book provides a comprehensive roadmap for women seeking to find and choose a truly great father for their children. Written by a team of experts in child development and family planning, this book covers everything you need to know, from the importance of finding a good role model to the legal implications of choosing a sperm donor.

In this book, you'll learn how to:

- Identify the qualities of a great father
- Find potential fathers through friends, family, or online resources
- Evaluate potential fathers based on their values, goals, and lifestyle
- Make a decision that is right for you and your child

Choosing a great father for your child is one of the most important decisions you'll ever make. This book will help you navigate the process with confidence and make the best choice for your family.

## **Reviews**

"This book is a must-read for any woman who is considering becoming a mother. It provides invaluable information and guidance on how to find and choose a great father for your child." - Dr. Jane Doe, child development expert

"As a single mother, I found this book to be incredibly helpful. It gave me the confidence to make a decision that was right for me and my child." - Mary Smith, single mother
