From the moment we are born, our mothers are there for us. They care for us, nurture us, and teach us everything we need to know about life. They are our first teachers, our best friends, and our biggest fans. No matter what challenges we face, we can always count on our mothers to be there for us.

In *Thanks Mum: Inspirational*, Gallagher shares stories from his own life as well as from the lives of others to illustrate the profound impact that mothers can have on our lives. He writes about mothers who have overcome adversity, mothers who have raised children with disabilities, and

mothers who have made a difference in the world. These stories are a testament to the strength, resilience, and love of mothers.

Thanks Mum: Inspirational is a book that will make you laugh, cry, and think. It is a book that will remind you of the special bond you share with your mother and the many ways in which she has inspired you. It is a book that you will cherish for years to come.

Here are a few of the many ways in which mothers inspire us:

- They teach us the importance of love and compassion.
