In 1995, Jan Phillips's life was shattered when her two young daughters, Kathy and Julie, were kidnapped by their father. For the next eleven years, Jan lived in a state of constant fear and uncertainty, not knowing if her girls were alive or dead.

But Jan never gave up hope. She became a relentless advocate for her daughters, working tirelessly to raise awareness of their case and keep it in

the public eye. She appeared on countless television and radio programs, and she wrote letters to politicians and law enforcement officials.

In 2006, Jan's prayers were finally answered when her daughters were rescued in a dramatic FBI raid. But the years of captivity had taken their toll on Kathy and Julie. They were both suffering from post-traumatic stress disorder, and they had difficulty adjusting to their new life.

Jan has dedicated her life to helping her daughters heal from the trauma they endured. She has written a book about her experience, titled *Pieces of Me*, and she speaks regularly to groups about the importance of hope and resilience.

*Pieces of Me* is a gripping and inspiring memoir that will stay with you long after you finish reading it. It is a story of courage, resilience, and hope. It is a story that will make you believe that anything is possible.
