LIFE AND DEATH

As the day sprouts from night
So does life spring from death -
As the day dilutes into night
Life slowly melts into death -
Even as the lightning flashes
Death bolts like thunder, at times -
Colours of the universe, bright -
But dark are the rays of light -
See those fallen shadows there
Are the shadows false of life ?
Is life light in motion?
Yonder truth no one knows
He who seeks shall find it sure
From the book of future's life.
