

# "September 11 Was There": A Gripping Account of a Survivor's Journey

On the morning of September 11, 2001, Leticia Sala was working in her office on the 78th floor of the North Tower of the World Trade Center. She was just starting her day when she heard a loud boom. She looked out her window and saw a plane flying into the South Tower. In that moment, she knew that her life would never be the same.

Sala's memoir, "September 11 Was There," is a powerful and moving account of her experiences as a survivor of the 9/11 attacks. She describes the chaos and terror of that day, as well as the aftermath of the attacks and her journey to rebuild her life.

Sala's story is one of resilience and hope. She was able to escape from the North Tower with her life, but she lost many of her friends and colleagues in the attacks. In the aftermath of 9/11, she struggled with PTSD and other

mental health issues. However, she was determined to rebuild her life and to honor the memory of those who had died.

Sala's memoir is a powerful reminder of the human cost of the 9/11 attacks. It is also a story of hope and resilience. Sala's story is a testament to the power of the human spirit and the ability to overcome even the most difficult challenges.

Here is an excerpt from Sala's memoir:

***“ "I remember looking out my window and seeing the South Tower on fire. I couldn't believe what I was seeing. I thought, 'This is it. This is the end.' But then I saw a group of people running towards the South Tower. They were firefighters and police officers, and they were running into the building to save people. I was so inspired by their bravery. I knew that I had to do something, so I ran out of my office and started helping people evacuate." ”***

Sala's memoir is a must-read for anyone who wants to understand the human cost of the 9/11 attacks. It is also a story of hope and resilience, and it is a testament to the power of the human spirit.

### **About the Author**

Leticia Sala is a survivor of the 9/11 attacks. She was working in the North Tower of the World Trade Center when the planes hit, and she miraculously escaped with her life. In the aftermath of the attacks, she struggled with

PTSD and other mental health issues. However, she was determined to rebuild her life and to honor the memory of those who had died.

Sala is now a public speaker and advocate for survivors of terrorism. She has shared her story with audiences around the world, and she has worked to raise awareness of the challenges that survivors face. She is also the founder of the September 11th Families' Association, an organization that provides support to families who have lost loved ones in terrorist attacks.
