

# Somewhere We'll Leave the World: A Literary Journey Through Michigan

Michigan is a state of many landscapes. There are the familiar ones: the Great Lakes, the Upper Peninsula, the Lower Peninsula. But there are also the less familiar ones: the ghost towns of the Keweenaw Peninsula, the remote islands of Lake Superior, the abandoned factories of Detroit. These are the landscapes that have shaped the work of some of Michigan's most renowned writers.

Somewhere We'll Leave the World: Made in Michigan Writers Series is an anthology of essays, poems, and stories that explores the unique landscape and culture of Michigan. Featuring the work of some of the state's most renowned writers, this collection offers a glimpse into the heart and soul of Michigan.

The essays in this collection explore the state's history, culture, and people. They range from personal reflections on growing up in Michigan to explorations of the state's literary heritage. The poems in this collection capture the beauty and wonder of Michigan's natural landscapes. They celebrate the state's seasons, its wildlife, and its people. The stories in this collection tell the tales of Michigan's past, present, and future. They explore the state's complex history, its struggles, and its triumphs.

*Somewhere We'll Leave the World* is a must-read for anyone who loves Michigan or who is interested in the state's literary heritage. This collection is a celebration of Michigan's unique landscape and culture. It is a testament to the power of literature to capture the essence of a place.
