Domestic violence is a pervasive and often hidden problem that affects millions of people worldwide. It can take many forms, from physical and sexual abuse to emotional and psychological manipulation. And while the #MeToo movement has brought increased awareness to sexual assault and harassment, domestic violence remains largely underreported and misunderstood.

In her groundbreaking book, *The Secret About Domestic Violence They Don't Want You To Know*, survivor and advocate Latoya Jackson breaks the silence surrounding this issue. She shares her own personal story of abuse and recovery, and she provides a comprehensive guide to help others

understand the dynamics of domestic violence, recognize the signs, and find a path to safety.

Jackson writes with raw honesty and compassion, offering insights that are both illuminating and empowering. She exposes the myths and stereotypes that perpetuate domestic violence, and she provides practical strategies for survivors to break free from the cycle of abuse.

The Secret About Domestic Violence They Don't Want You To Know is a must-read for anyone who wants to understand the true nature of domestic violence. It is a powerful tool for survivors, their loved ones, and anyone who works to end this devastating crime.

Here are just a few of the things you'll learn from this book:

- The different types of domestic violence and how to recognize them
- The warning signs of an abusive relationship
- How to stay safe if you're in an abusive relationship
- How to help a friend or loved one who is being abused
- The resources that are available to survivors of domestic violence

If you or someone you know is being abused, help is available. You are not alone.

Contact the National Domestic Violence Hotline at 1-800-799-SAFE (7233) or visit their website at www.thehotline.org.

You can also find more information and resources on the website of the National Coalition Against Domestic Violence at www.ncadv.org.
